Carolyn R. Scheidies' credits include over two dozen books--many historical--both fiction and non-fiction including "Threads of Time." (Through the biographies of 11 historical characters, she shows how history interconnects in ways we never imagined.) Scheidies writes for both kids and adults, and several of her books have garnered awards. A graduate of UNK with a degree in journalism, she's written for a variety of publications, and has a regular column in the Kearney Hub.

Scheidies also speaks to different groups on a variety of topics—including historical research, leads workshops on writing, and guest lectures at UNK. She hosts two web sites: I Deal in Hope <http://crscheidies-ivil.tripod.com/author> and Author's Choice Reviews <http://crscheidies-ivil.tripod.com/bookreviews>. Join the Journey

Carolyn R Scheidies

Geared for families, the book tells the tale of a family journeying West on the Oregon Trail.

A TALE OF THE OREGON TRAIL

By Carolyn R Scheidies

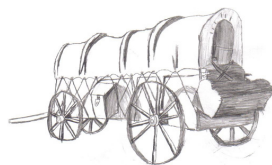

“Sara Anderson and her family have braved travel into an unknown, wild territory for land, exciting opportunities, and a fresh start in life,” said Jennifer, an artist & mother of three. “Carolyn’s expertise of American Pioneer history fluidly melds this fiction with detailed facts, conveying to readers possible scenarios of real men and women’s lives on the Oregon Trail.”

Carolyn said, “I’m excited to tell the tale of the Oregon Trail through a fictional family. But the details of the trip have been carefully researched and the book offers resources and links for further research.

A TALE OF THE OREGON TRAIL also lists places to visit such as [The Great Platte River Road Archway Monument](#), [Trails & Rails](#), [Hastings Museum of Natural & Cultural History](#) and [Nebraska Prairie Museum of Holdrege](#) and is a natural for gift and other stores that carry historical information.

Jennifer added, “Historical people, landmarks, and events intermingled with details of pioneer clothing and tools make this story a thorough and very useful guide into the lives our nation’s pioneers. Through Carolyn’s excellent storytelling, readers leave this reading with a better understanding of our history and the sacrifice of others.”

A TALE OF THE OREGON TRAIL is an accurate, yet sensitive portrayal of the joys and heartbreaks of the pioneer experience played out against a rich historical background.

Order retail: Scheidies’ books can be ordered from www.amazon.com \$17.72, other book stores or from Scheidies’ I DEAL IN HOPE web site at <http://crscheidies-ivil.tripod.com/author>.
